HUMANITARIAN RELIEF – VENEZUELA EARTHQUAKE

A devastating series of earthquakes struck north-central Venezuela on June 24, 2026, making it the country's largest seismic disaster in more than a century. Two powerful earthquakes—a magnitude of 7.2 followed just 39 seconds later with a magnitude of 7.5 near Yumare/San Felipe in Yaracuy State, caused catastrophic damage across much of the country. The hardest-hit areas include Caracas, La Guaira, and surrounding coastal regions, where buildings collapsed, roads and bridges were damaged, and power and communications have been disrupted. Authorities declared a national state of emergency, while teams from Venezuela and numerous international partners continue to search for survivors. As of July 8, official reports indicate more than 3,811 people have died, thousands of people have been injured, thousands are reported missing and tens of thousands of families have been left homeless. *Make donations by using the special Humanitarian envelopes (write name and address and phone number) to help through the parish, by cash or making cheques payable to: Our Lady Miraculous Medal or Our Lady Help of Christians at the bottom of the cheque – Venezuela Earthquake. Please continue to pray for all those affected by this tragic situation. Thank you for your continued co-operation!*

*Molimo za naše družine,
župnijo in druge potrebe!*

**TUESDAY - TOREK

*We pray for the intentions
of our families, parish and
other special needs.*

OLMM MISSION COOP – JULY 18 – 19 - Catholic Diocese of Tombura-Yambio (South Sudan). People come to the church by foot and others on bicycles from the furthest distances. On a Sunday with good attendance of over 1,000 parishioners, the total collection can be the equivalent of \$50 Canadian dollars because there are no jobs in South Sudan, and those employed by the government have not been paid for 24 months. South Sudan still faces several problems, like a lack of running water, no paved roads, no proper schools, high mortality rates, poor medical services, and no social services. Other needs include the educational needs of our 200 seminarians, who need scholarships for their studies. **Please donate by using the Mission Co-op envelopes in your weekly donation boxes or use spare envelopes at the back of the Church and write your name and address. If issuing cheques, please write Our Lady of the Miraculous Medal and put in the reference/memo line Mission Co-op.**

MARIJA POMAGAJ MISSION COOP – JULY 19

The Claretian Missionaries are a congregation of priests, brothers, and lay associates founded in 1849 by St. Anthony Mary Claret in Spain. Today, mostly serving in 75 countries across the world. In East Africa—Tanzania, Kenya, and Uganda—we have 60 priests, one brother, and 60 seminarians in formation, spread across 19 missions and communities. It costs seminarian students Tuition fees: about \$1,000 per student per year Boarding and lodging: about \$3 per student per day, Additional costs: medical care, library, and course materials. Why Your Support Matters Africa's Church is vibrant and growing, but the pastoral needs are immense: large parishes, vast geographical areas, and many sub-parishes. More priests and missionaries are needed to establish parishes, schools, and health facilities. Supporting the formation of seminarians ensures that the Church in Africa will have shepherds to guide the faithful and continue Christ's mission. Together, we can nurture these vocations and strengthen the mission of Christ in East Africa. **Please donate by using the Mission Co-op envelopes in your weekly donation boxes or use spare envelopes at the back of the Church and write your name and address. If issuing cheques, please write or Our Lady Help of Christians and put in the reference/memo line Mission Co-op.**
