**WORLD DAY OF THE SICK – FEBRUARY 11** – The ministry of Jesus to the sick is central to the life of the Church. February 11 (Memorial of Our Lady of Lourdes) highlights the healing ministry of the Church. It reminds us that service to the sick and suffering cannot be neglected. It recognizes the great efforts of doctors, nurses, health care institutions and pastoral care givers to restore health to those afflicted with illness and disease.

### **ST. VALENTINE PRAYER**

*Dearest Heavenly Father,*

*I want to thank you for the precious gift of love you have given to the world and to me. Thank you for blessing me every day with this love and the power and strength that I get from you every single day. Without your love for me I can't be... I can't function... I can't even breathe... because I NEED your love to sustain me. It's like food and medicine for my soul Lord. Please continue to let me feel your comforting love in my life and Lord I give myself over to you to perfect in me this gift of love...that I may be able to express it and share it with others. Lord...I have not always been good at this...forgive me. Lord...some people are harder to love than others...but I want to be like your Son Jesus...so please continue the work you are doing in my heart so my heart will be like yours. In Jesus name I pray.*
